Winston Churchill spent his early childhood in Ireland, had close Irish relatives, and was himself much involved in Irish political issues for a large part of his career. He took Ireland very seriously -- and not only because of its significance in the Anglo-American relationship. Winston Churchill in the Canadian Parliament, 30 December 1941 by Yusuf Karsh. Prime Minister of the United Kingdom; in office 26 October 1951 – 5 April 1955. The Churchill was one of Britain's most iconic tanks of the Second World War. After the war, there was a large surplus of the tanks, and looking to expand their military power, the Republic of Ireland decided to purchase some. The Churchill tank was named after Prime Minister Winston Churchill, who had promoted the development of the tank in the First World War. Churchill told Field Marshal Jan Smuts "that is the tank they named after me when they found out it was no damn good!". The name only incidentally matched what became the British Army practice of giving service names beginning with C to cruiser tanks.
