Colin McLaren was one of Australia's best detectives; he travelled the world on high-end investigations during the 1980s and 1990s. He faced down the underbelly of Australian crime and his work has been the subject of many police genre documentaries and television series. I've been hearing from news reporters for major news organizations, who ask, "what's in the new JFK files? Is there a smoking gun?" The answer is no. Without Smoking Gun: Was the Death of Lt. Cmdr. William Pitzer Part of the JFK Assassination Cover-Up Conspiracy? [Kent Heiner, Daniel Marvin] on Amazon. \*Free\* shipping on qualifying offers. This shocking account of intrigue, lies, and governmental complicity provides dramatic evidence that suggests a larger conspiracy behind JFK's assassination. December 28--in a colossal screw-up, the gossip web site TMZ today published a photo purporting to show John F. Kennedy frolicking on a yacht with a harem of naked women--except that the image while not for the overly squeamish, autopsy reports are among the most fascinating documents the smoking gun comes across. With their detailed inventories, precise language, and often gruesome details, Clint Murchison, Sr. -- more so than even H.L. Hunt -- was a key player in the JFK assassination because of his close ties to the inner core of US intelligence (Allen Dulles, Nelson Rockefeller, John J. McCloy), close ties to Lyndon Johnson and J. Edgar Hoover of the FBI, bankers Rockefellers; Murchison was even friends with key Kennedy-hater mafia godfather Carlos Marcello of New Orleans.

Who killed JFK? Was there a government cover-up? What was revealed when formerly-secret files were declassified? Why has this event gripped the nation for so long? Bill Harvey was one of the most highly regarded CIA officers of his generation. One colleague described him as "a man without sentiment, considerable stamina, great determination [and] high-skilled" and "a gun nut." His contempt for President John F. Kennedy and Attorney General Robert Kennedy was not disguised. If there were a smoking gun, "it would have leaked out a long time ago," echoes former CIA field officer Bob Baer. But he has found interesting information within the thousands of pages. 1) of the documents that were originally set to be released, some 3,100 had never been seen by the public before. Though few experts expected the final batch of files to offer up a "smoking gun," there's a lot of talk these days about the "deep state," especially among supporters of President Trump, some of whom believe that this deep state is working hard to destroy anyone loyal to Trump, both inside and outside of the government, and ultimately, Trump himself. General Flynn was did George Hickey, Secret Service agent, shoot JFK accidentally? Howard Donahue and Bonar Menninger's 'Mortal Error'; film: 'JFK: The Smoking Gun'

Date: Thursday 20 November, 2003 G = George Noory Z = Zack Shelton J = Jim Marrs G ? It was a crime that shocked the world, the assassination of President John F. Kennedy, and from that moment of that horrible day in Dallas, forty years ago, the world has been embroiled in controversy. Editor's note: When they kill a president by Roger Craig is an unpublished manuscript written by a man who, in his capacity as a deputy sheriff, witnessed many critical moments in Dallas on November 22, 1963 and beyond and did not change his story despite the staggering costs to himself. I purchased a copy of this manuscript in the 1980s from Tom Davis, a first-generation JFK assassination investigator investigating possible conspiracies and cover-ups -- JFK, the moon landings, etc. by Wade Frazier. Revised June 2014. Introduction. Gary Wean and the JFK assassination "there won't be any smoking gun," said Mr. Morley, editor of the assassination website JFKfacts, who re-examined the period for his new book, "The Ghost: The Secret Life of C.I.A. After a Tough Morning in the Oval Office, John F. Kennedy liked to take a dip in the White House pool. The purpose, according to early hagiographers, was to soothe the president's aching back.
