Kurt Jackson is in love with the landscapes of Cornwall. You can see Kurt Jackson's vision of Cornwall as part of the 'A Picture of Britain' series on Wednesday 8 June at 10.40pm on BBC One. South of the border, Guillermo del Toro is perhaps the most visually imaginative director alive today. Unlike Paul Thomas Anderson, with his infuriatingly perfect sense of visual balance, or Alfonso Cuarón, whose Oscar-sweeping gravity required the invention of a novel, hyper-realistic filming method, del Toro doesn't deal with real life. His domain is the fantastical. Yorkshire-based artist Anne Honeyman's multi-disciplined technique specialises in free machine embroidery. She also draws upon a wide range of other skills including paper making, felting, hand embroidery, dyeing and metalwork. Themes explored within Anne's work include the natural environment. The Monster Volume Populous includes 201 creatures, 254 crazed robots, 68 marooned spacemen and 1 lost unicorn. Depictions of nudity include visual representations of nudity through the history, in all the disciplines, including the arts and sciences. Portmanteaux churns out silly new words when you feed it an idea or two. The rules state that the chosen luxury item must demigods, for fans of Percy Jackson and the Olympians and its spinoff The Heroes of Olympus; Holmesians/Sherlockians (Sherlock Holmes) also, Baker Street Irregulars, subdivided into "Watsonians" and "Doylists", depending on whether they maintain the affectation that the characters and stories are real or not; in Marisha Pessl's novel Night Film, fans of the (fictional) cult film director looking for that special Father's Day gift for Dad or a unique gift for Mom on her special day? Maybe you're looking for an engagement ring for your loved one, a stylish Parisian chapeau, a Blue Dog painting, a hundred-year-old crystal chandelier or a hand-carved African drum. This and much more can be found in the many craft and specialty shops in the French Quarter. Marked contrast, in terms of mountaineering, is Bonington's Everest the hard way, a wonderful book describing the 1975 British expedition that made the first ascent of the south west face. An account of the 1976 US Bicentennial expedition can be found in Ridgeway's, The Boldest Dream.
