

Panacea

Noun. a remedy for all disease or ills; cure-all. an answer or solution for all problems or difficulties: his economic philosophy is a good one, but he tries to use it as a panacea. panacea comes from the name of a greek goddess. panacea comes from a greek word meaning "all-healing", and panacea was the goddess of healing. in the middle ages and the renaissance, alchemists who sought to concoct the "elixir of life" (which would give eternal life) and the "philosopher's stone" (which would turn ordinary metals into gold) also labored to find the panacea.
