

# The First World War With Imperial War Museums

During the first world war, Britain came under attack from the air, putting civilians in the firing line for the very first time. At the start of the war, Britain was ill-prepared to deal with the threat from enemy airships and aircraft. The Imperial War Museums (IWM) discover the story of the men and women who helped Winston Churchill shape the future of Britain during some of the most crucial moments of the Second World War. Waring the First World War to life with a wholly fresh interpretation of the war, based on IWM's latest work in the field of First World War studies and Hodder Education's expertise in educational publishing. This student's book and accompanying dynamic learning resource provide a discrete unit of study, combining a vivid narrative informed by up-to-date research with an array of original documents and memorabilia, including photographs, propaganda, newspapers, personal letters, and military orders. The First World War Remembered brings to life one of the most terrible periods of warfare the world has ever known. Founded as the Imperial War Museum in 1917, the museum was intended to record the civil and military war effort and sacrifice of Britain and its empire during the First World War. The museum's remit has since expanded to include all conflicts in which British or Commonwealth forces have been involved since 1914. Bringing the First World War to life at the Imperial War Museum the designers behind the museum's new gallery explain how they connected a 100-year-old conflict to a modern audience. Roger Mann

This collection was published in association with the Imperial War Museum, which was founded in 1917 to collect and display material relating to World War I while it was still being fought. Today, the IWM is unique in its coverage of conflicts, especially those involving Britain and the Commonwealth, from World War I to the present.
