

# The Things We Wish Were True

'the things we wish were true' was a book that i picked up with my kindle unlimited membership. i listened to the audible edition and it was better than i expected. this story had a lot going on, but the author managed to weave the characters and events together seamlessly. "the characters in the things we wish were true may live in a small town, but their hearts are as big as all outdoors. marybeth whalen has created an ensemble cast whose lives intertwine and touch one another in moving and surprising ways." in the things we wish were true, marybeth whalen has pulled off an impressive feat, an ever-shifting narrative through a neighborhood full of secrets. each of these characters is compelling and fully realized, and the final twists and reveals left me breathless and, ultimately, at peace. things we wish were true follows the events within a small community in north carolina over the summer of 2014. if you are looking for a new book to read over labor day weekend, let it be the things we wish were true by marybeth mayhew whalen. this book releases tomorrow, september 1st and is available for pre-order now. things we wish were true is a novel that explores the nuances of community and belonging, showing us the hope, pain, disappointments, and joy that exist behind the facades of a typical american subdivision.

the things we wish were true is a peek behind the picket fences, behind the polite smiles, beyond the potlucks. told from the perspectives of various characters, the story and the secrets are revealed a layer at a time. was the things we wish were true worth the listening time? not really, the book was just okay, and not very engaging. 4 of 5 people found this review helpful. show more help. redeem a promo code. gift center. site map. mobile site. if the other team thought that they would come back and that anything was going back to the way things were, they were going to have a rather rude awakening. no one messed with steve's team — no one.
